Revised Manuscript on a Modular Microfluidic NMR Probe System

Dear Lucio,

Please find enclosed our revised manuscript titled "Modular transmission line probes for microfluidic nuclear magnetic resonance spectroscopy and imaging", which we submit for publication in the Journal of Magnetic Resonance. We are grateful to the reviewers for their careful evaluation of the manuscript and for their constructive comments. We have revised the manuscript in response to their specific concerns as detailed in a separate document, and we are confident that these changes adequately address their concerns.

With best wishes,

Marcel
